Dear Valued Couples & Guests

RE: Coronavirus COVID-19 – WEDDINGS, EVENTS, & GROUPS

Each day we are updated with news and information about coronavirus as this epidemic is affecting areas all over of the world, and as of March 16th, 2020 Oregon has new regulations that will impact you, our valued guests. We appreciate your patience while all of us work through these times, as we are committed to offering you an all-season resort destination here at Running Y Ranch Resort.

Following the orders of social distancing and regulations by Governor of Oregon Kate Brown, Running Y Properties is taking steps towards halting gatherings of 25 people or more, and practicing social distancing of 10 or less people.

WEDDINGS, EVENTS, GROUPS

We are very unsure as to what is going to happen in the next couple months. What we do know is that Oregon's Governor has regulations in place to social distancing yourself, no gathering of 25 or more are allowed, and to avoid casual gatherings of 10 or more people until April 11th, 2020.

We have direct instructions to follow these guidelines until April 11th 2020. We are unsure as to what is happening moving past this date, but all we can do is wait.

We will be collecting deposits and payments as normal, as your event is outside the order from the Governor of Oregon, Kate Brown. We want to express that we sympathize that this is a very nerve-racking time for the entire world, and we, Running Y Properties, will be as flexible as possible. Given the circumstance that our Governor extends these dates past your event/group/wedding date, we will adjust accordingly at that time.

If you wish to move your date at this time to another specific date (before the above measures stated are up), we can do so, but please keep in mind to secure an alternate date, additional deposits may apply and rates may be adjusted, as this would fall into new business.
